**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

Claims 1-30 cannot be restricted because they fail to comply with sequence rules under 37 CFR 1.821 (e-g), 1.825(b) &(d). More specifically, claims 9-14 recite nucleotide sequences that have no corresponding SEQ ID NO:s and therefore cannot be searched, upon election.

Applicant is advised to assign SEQ ID NO:'s to said sequences and enter said SEQ ID NO:'s into the sequence listing in response to this letter. Applicant is advised to also look into the disclosure as well as all claims and kindly make sure that no amino acid or nucleotide sequences therein remain without identification numbers.

Applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
